

Lesson 9-The Lord's Prayer - Matthew 6:5-14

1. Why should we view the Lord's Prayer as more than just a guide for how we pray? How does it also teach us how we should live our daily lives?
2. Why do we pray, "Your kingdom come," if the kingdom has already come in the person of Jesus Christ?
3. How does the Lord's prayer change what we ask God for, and why is that important?
4. If we have already been forgiven, why does Jesus give us a model prayer in which we must ask forgiveness? What does asking for forgiveness mean for believers?
