

**Lesson 1-Sermon on the Mount-Life in the Kingdom**

**Happy New Year!** Welcome back, ladies. I pray you're excited to see how the Lord will grow us this year as we study the Sermon on the Mount video series with Sinclair Ferguson.

Please read the complete Sermon on the Mount - Matthew chapters 5, 6, and 7. I encourage you to read it at least 3 times. Please answer these questions for our first meeting.

1. Who is Jesus' primary audience when He preaches the Sermon on the Mount?
2. How does the Sermon on the Mount present the Christian life (in the Kingdom of God) in comparison to the Kingdom of the world?
3. As you read chapters 5-7, what part or parts of the Sermon on the Mount challenge your way of thinking about the Kingdom of God? How can conforming your thinking to this teaching impact your life?
